

WOULD YOU ADD A GIFT FOR INDIA TO YOUR CHRISTMAS LIST?

You've made a list and checked it twice, but did you remember India this Christmas? Simplicity Ministries® will lead a 22 person team to India Feb. 27—Mar 9th, 2009.

The MegaVoice Ambassador (right) will be the primary tool of the India Mission Team. This solar powered device will contain, in Telegu, the entire New Testament, as well as audio versions of The Hope video (www.thehopeproject.com) and the Jesus Film based upon the Gospel of Luke.

Teams will lead meetings in villages and orphanages throughout the entire week, teaching and discussing the 36 biblical events from Creation to Christ from the audio format of the HOPE, recorded on the MegaVoice Ambassador.

Selected Indian pastors and leaders will also be trained to use

the MegaVoice Ambassador so that they may continue to carry out evangelism and discipleship after our group

leaves. These pastors and leaders will observe our teams and help lead one session at the end of the week. Each of these leaders – as well as each orphan – will receive MegaVoice Ambassadors upon our departure.

As you can see, these devices will be essential for our India Mission Trip. We estimate a need for a minimum of 240 Ambassadors. However, in order to place this tool in the hands of other leaders and believers, our phase II goal is to provide 600 – 1000 more units for the people of S. India.

Each MegaVoice Ambassador costs \$35. Would you add this gift for India to your Christmas list? Send your check payable to Simplicity Ministries® and we'll deliver your Christmas gift to India personally in February.

Thank You!
